Introduction

I have to think Simple Never complicated

Direction of Idea

- · Current maintenance.
 - · Alternative design

: More personal System On Smare Mirror

Blind Person: More Increased Voice guidance

Office workers In Company: Company News Office workers In home: "Cheer you up Father. Mother &"

:"Sweety, I loveyou - Mom"

Problem statement

Inconventence In my Life (Joy's)

"I don't launch the app to get weather Information.

Then I go out without umbrella, so I'm in the rain.

(Every time) But I forget everyday.

>Our Idea Started from here.

0 0 1 1 101

Solution

But I want to help a lot of people as well as me.

So what I thought was blind.

I don't know how uncomfortable they are.

So I will do a survey and search.
